

RoughDeck CC

Caster Deck Cargo Scale

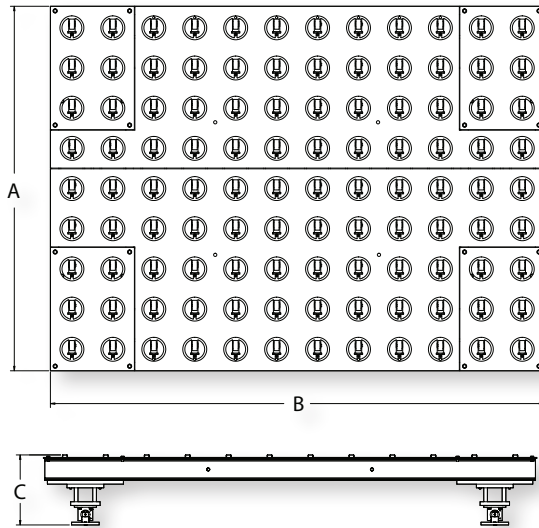

Standard Features/ Specifications

- 20,000 lb capacity
- Four Stainless Steel EZ Mount 1 weigh modules containing 10,000 lb stainless steel IP67 load cells
- Four removable access panels for accessing load cells and mounts
- JB4SS TuffSeal™ NEMA Type 4X stainless steel signal trim junction box
- Powder painted surface for additional durability
- Load and unload scale in all directions with 360 degree swivel casters
- 108 Kalpar Casters model DL55014893

Rice Lake's RoughDeck CC castor cargo scale has 360-degree castors that swivel, making it easy for the operator to move and position cargo from any direction on and off the scale. The CC castor cargo scale has four removable top panels for accessing load cells
